Dear Mr. Rigdon,

I would like to recommend PLAINS BUILDERS to you for the construction of your new Church complex.

I have had the pleasure of working with them over the past 24 years and have found their work to be of the highest quality. They were the contractors for our newest addition in the early 90's and we have never had any problems with the building since then.

They are honest and dependable and have very high ethical values. I thoroughly believe that they would serve you and Paramount Terrace Christian Church well in the construction of your new facility.

Thank you for your consideration of my recommendation.

Sincerely in the Lord,

Msgr. Joseph Tash
