To Whom It May Concern:

I would like to take this opportunity to recommend Plains Builders. My experience working with Plains to build our new Co-working Center was tremendous. I found Mr. Koetting and his team to be of utmost integrity and professionally competent.

Mr. Koetting brought to the project great insight, experience, and construction expertise. His team is able to handle any unforeseen or unusual project construction issues that may arise properly, expeditiously and fairly.

The finished product is exemplary. Our staff is enamored with the beauty of the space, quality of construction, and commitment to detail.

Respectfully and sincerely,

Tory Ketcherside
